LABORATORY MANUAL

OBJECT ORIENTED PROGRAMMING & METHODOLOGY LAB B. TECH.

(II YEAR Odd SEM)

Object Oriented Programming & Methodology Lab (BEET-305)

(2022-23)

COLLEGE OF ENGINEERINGROORKEE

(Affiliated to Veer Madho Singh Bhandari Uttarakhand Technical University, Dehradun)

Approved by AICTE & MHRD, Govt of India, Accredited by NAAC

Roorkee-Haridwar Road (NH-58), Post Box No. 27, Vardhmanpuram,

Roorkee- 247667 District. Haridwar (Uttarakhand)

LIST OF PROGRAMS

Subject: Object Oriented Programming & Methodology Lab Code: BEEP-305

Name of Experiment	Date	Sign	Remark
To write a java program that takes in command line arguments as input andprint the number of arguments.			
To write a java program find the division of student.			
To write a Java program first n prime number			
Write a java program to find the Fibonacci series using recursive and non-recursive functions.			
Write a java program for Method overloading and Constructor overloading.			
Write a java program to display the employee details using Scanner class.			
A) Write a java program to create inner classes			
B) Write a java program to create user defined package			
To write a java program for method over riding			
To write a java program exception handling			
To write a program implements the concept of inheritance			
To write a java program to run applet for drawing various shapes.			
To write a java program to design a login using Jframe.			
To write a java program to validate the logging details of user using JDBC concept.			
A) Write a java program to connect to a database using JDBC and insert 34values into it.			
B) Write a java program to connect to a database using JDBC and delete 36 values from it.			
To write a Java program Insertion sort.			
To write a Java program merge sort.			
Write a java program that works as a simple calculator.			
Use a Grid Layoutto arrange Buttons for digits and for			
the + - * % operations. Add a text field to display the			
result.			
	To write a java program that takes in command line arguments as input andprint the number of arguments. To write a java program find the division of student. To write a Java program first n prime number Write a java program to find the Fibonacci series using recursive and non-recursive functions. Write a java program for Method overloading and Constructor overloading. Write a java program to display the employee details using Scanner class.
